## **N. Christopher Lawrence, MD Named Best Doctor in Collin County by *D Magazine***

(May 23, 2017) McKinney, TX – Healthcare Associates of McKinney is proud to announce that N. Christopher Lawrence, MD has been selected as a Best Doctor in Collin County for 2016, his sixth time to receive this prestigious honor.

Published each year in the April issue of *D Magazine*, this annual list is determined by a peer-review voting process and highlights the top medical talent in Collin County. This year, 5,837 local doctors from the *D Magazine* online directory were invited to vote for up to three doctors in 39 categories. The nomination form asked them to consider this: Which doctors would you trust with the care of a loved one? This year, 3,801 votes were cast by 421 voters, and each voter's Texas medical license was vetted for validity. After votes were tallied, an anonymous panel of esteemed physicians and *D Magazine* staff reviewed the list. Finalists were chosen based on the number of votes in each category. Once the list was finalized, *D Magazine* confirmed each doctor's Texas medical license status and board certification. This review also included investigating any disciplinary status.

Dr. Lawrence's esteemed rating from his peers is driven by the care and attention he provides to his patients. He has been in family practice in McKinney for the past 18 years. He practices traditional family medicine, caring for babies to elderly patients. His practice style includes an emphasis on wellness and disease prevention through hormone management and supplementation. He received his Doctor of Medicine from University of Texas Health Science Center at San Antonio and then completed a Family Practice Residency at Cedar Rapids Medical Education Foundation in Cedar Rapids, Iowa. Dr. Lawrence is a Diplomat of the American Board of Family Medicine.

Dr. Lawrence is proud to serve his patients and to be honored as a *D Magazine* 2016 Best Doctor in Collin County for the sixth time. He considers it a privilege to serve Collin County and looks forward to providing superb healthcare for many years to come.
